Dear Volunteer,

Welcome to the Glen Ellyn Children's Resource Center (GECRC). Thank you for your interest in volunteering at the GECRC.

GECRC programming has shown to positively impact the lives of our students and their families. Students work hard to develop academic competencies in core literacy and math, as well as critical social skills. These goals are achievable thanks to the willingness of our volunteers to share their time and enthusiasm for learning. We appreciate you!

This handbook was designed to give you an overview of our program, as well as some guidelines to prepare you for tutoring. We ask that you read this information carefully as it provides important information and is a great reference. Please reach out to volunteer@gecrc.com if you have any additional questions.

Sincerely,

Leah Harding, LCSW

Mission Statement

The GECRC mission is to help children from low income families acquire the necessary skills in academics and social interaction to move successfully through grades K-12 and into adulthood. We do this by providing after school and summer programs which emphasize literacy and community involvement and use the talents of teachers, volunteer tutors, adult caregivers and a variety of local support services.

History

The Glen Ellyn Community Resource Center opened in April 2002 with the support of the county-run DuPage Prevention Partnership and initially served children residing at Parkside Apartment Complex. In the fall of 2003, we moved to the classroom space offered by Faith Lutheran Church of Glen Ellyn and became a 501c(3) nonprofit corporation in order to better serve the greater Glen Ellyn community. In 2006, we moved to Abraham Lincoln Elementary School as the Glen Ellyn Children's Resource Center (GECRC). In the 2013-2014 school year, we began serving students at Hadley Junior High and expanded again in 2016 to our newest location at Churchill Elementary. We are currently among the area's most active nonprofits, empowering a growing number of low-income and refugee children to achieve their fullest potential.

Services Provided

GECRC provides students with five-day-a-week, after-school tutoring and mentoring programs, cost free. Participation is open to all students who attend Districts 41 or 89 schools and meet low-income and academic risk guidelines. Students are referred by teachers, social workers, school administrators or social service agencies. Annually our program serves over 130 immigrant, refugee and American born students.

Program Goals

To provide a structured, safe, and fun after school learning environment for GECRC students, as demonstrated through the following goals.
